

Curriculum Vitae
Francesco Giordano

Paris, France — francesco.giordano@hec.edu — Website

OVERVIEW

I am a third-year PhD student in Economics and Decision Sciences at HEC Paris. As of now, my research intersects game theory and information economics, with applications to entrepreneurship.

EDUCATION

PhD in Economics and Decision Sciences

HEC Paris

Department of Economics and Decision Sciences

2023-2028

M.Sc. in Economics

LUISS University

Department of Economics and Finance

2020-2022

QTEM Diploma

QTEM, study and research visits at:

- Tilburg University (2022)
- Université Paris Dauphine (2021)

RESEARCH

Work in progress:

1. Coordination Mechanisms with Partially Specified Probabilities
2. Ex-Post Equilibria (joint work with Julien Grand-Clement and Christian Kroer)
3. Cognitive complexity, expertise and prediction accuracy in venture selection (joint work with Thomas Astebro and Andrew Funck)
4. Decomposing Venture Evaluation: Learning about Belief Formation, R&R at the *Strategic Entrepreneurship Journal* (joint work with Thomas Astebro and Andrew Funck)

Other research work

1. A Note on Social Learning in nonatomic Routing Games, *Operations Research Letters*, 2022
2. Routing Games, Information, and Learning (Research Master Thesis, 2021)
3. Outcome Selection with Algorithmic Learners (currently on hold)

Talks and presentations: EC26 (Rome, upcoming, presentation at the Online Learning and Economics workshop and poster session), GAIMSS26 (Bonn, upcoming), Conference for the 30 years of Game Theory at the Institut Henri Poincaré (Paris, poster session, 2025), RT Optimization (Lyon, 2025), 2025 European Econometric Society Winter Meeting (Nicosia, Cyprus, 2025), JECCO UK 2025 (Edinburgh, 2025), 9th ENTFIN Conference (Rotterdam, 2025), 2025 Doctoral Workshop on Emerging Perspectives in Entrepreneurship (Bocconi, 2025), HEC AI and Entrepreneurship Conference (HEC Paris, 2025), 7th World Congress of the Game Theory society (Beijing, 2024), IMS 2023 International Conference on Statistics and Data Science (ICSDS) (Lisbon, 2023), HEC PhD Brownbag (Paris, 2023, 2024, 2025, 2026),

Research training: Research Visit at Olin Business School at Washington University in St. Louis (St. Louis, 2026), GAIMSS (Bonn 2026, Toulouse 2025, Metz 2024), Summer PhD Workshop on Entrepreneurial Finance (Paris, 2025), 4th KAIST ISPI Innovation and Entrepreneurship Research Boot Camp (online, 2025), HEC x SMU workshop (online, 2025), Workshop on Learning in Games (Institut de Mathématiques de Toulouse, 2024), Data Science Summer School at the Barcelona School of Economics (Barcelona, 2023), Micromaster in Statistics and Data Science (MITx) (online, 2021-2023), Summer School in Optimization, Big Data and Applications (Veroli, 2022)

EMPLOYMENT HISTORY

Employment History

- Research Fellow at the ION Management Science Lab (Station F) (2025 - ongoing)
- TA - Microeconomics (HEC Paris, 2025 - ongoing)
- TA - Introduction to Entrepreneurship and CDL Certificate (HEC Paris, MBA, 2024 - ongoing)
- TA - Games and Strategies (LUISS, 2023)
- Graduate Program at EY-Parthenon (2022-2023)
